

# Sample PDF Content for Smart PDF Toolkit (Welcome Guide)

---

## Welcome to Smart PDF Toolkit!

Your all-in-one solution for **reading**, **scanning**, and **editing PDFs** on the go.

---

## ✨ Features You'll Love:

### PDF Reader

- View PDFs with a clean, distraction-free interface
- Zoom, scroll, and navigate easily

### PDF Scanner

- Use your phone camera to scan documents
- Auto-crop and enhance pages for clarity

### PDF Editor

- Add text, highlights, and annotations
- Draw or sign documents with your finger

### PDF Tools

- Merge multiple PDFs
  - Split large files
  - Reorder or delete pages
  - Compress files for easy sharing
- 

## Secure & Offline

- Your documents are stored securely on your device

- No internet required to read or scan
- 

### Tips:

- Use the **Scanner** for receipts, forms, or ID cards
  - Tap the **Edit** button to mark up documents instantly
  - Merge files to keep things organized
-
